HALF DAY CITY TOUR (04h)

We start our tour at the famous **BAIRRO ORIENTAL** with its typical Japanese decoration. Then we proceed till the Cathedral (**PRAÇA DA SÉ**) at downtown area. From this point we walk towards the dead center of São Paulo (Tropic of Capricorn) and visit the monument "The Immortal Glory of the founders of the city" in front of **PÁTIO DO COLÉGIO (replica 1683)**, where the city was born (01/25/1554).

Back to the van/car/bus we go to **HIGIENÓPOLIS**, the hard and soul of the modern Jewish community and where the rich families used to live during Old Republic era.

Next stop will be the most important financial center of South America the **AVENIDA PAULISTA**, among six different styles of architecture there is **MASP** (Museum de Arte de São Paulo), considered one of the best museums in the world.

From that point we go to **INSTITUTO BUTANTÃ** (closed at Monday) where you can see snakes and it is the place that we do research on poison animals and manufacture serum.

Nearby is **MORUMBI**, the neighborhood where the rich houses are located and the largest private soccer stadium, **ESTÁDIO DO MORUMBI** (SPFC- SÃO PAULO FUTEBOL CLUBE) and our Governor's Palace (**PALÁCIO DO GOVERNO**).

We finish at the green area **PARQUE DO IBIRAPUERA** and the Oscar Niemeyer buildings (1.6 million square meters) the largest of our 32 public squares.
